

ITEA

Fostering international software and systems innovation

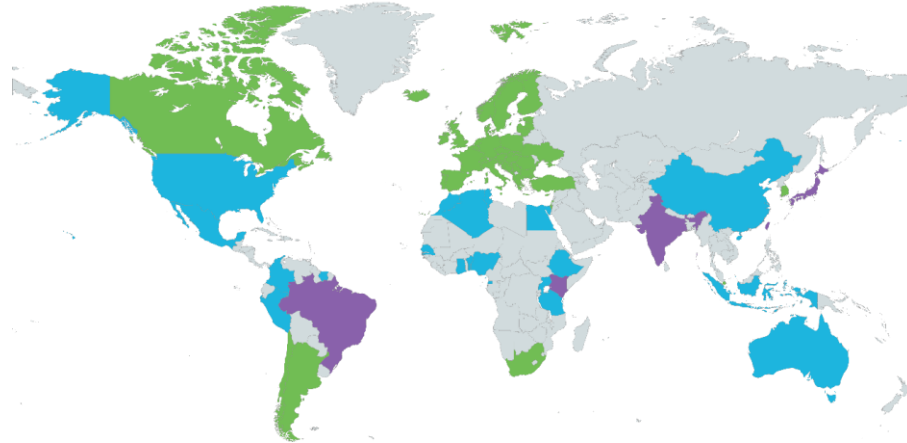

CCILA Innovation Forum
Prof. Dr. Dirk Elias, ITEA Chairman
July 2025

ITEA is the Eureka Cluster on software innovation

Eureka and ITEA

Eureka is world's biggest public network for international cooperation in R&D and innovation, present in over 45 countries.

ITEA is the Eureka RD&I Cluster for Software and Systems innovation

- Fostering a dynamic and ever-expanding international community to collaborate in funded projects
- 27 years | 350+ projects | 30,000+ person-years | 2,000+ project partners | 37 countries
- Close cooperation with and strong support from Public Authorities (ANI in Portugal)
- Proven track record of evidence-based impact

ITEA Bottom-up Call 2025
